## Review:

- (We had a special lesson on “Iran” last week. That video is posted on Solid Bread Community’s YouTube channel, and I encourage you to subscribe to that channel.)
- Before that, in our last two regular lessons, “**Present Clues of a Future Agenda, Parts 1 and 2,**” we’ve been peering into the future – armed with some solid clues from the past and present.
- From various passages of Scripture; from specific statements by Jesus and Daniel; from the writings of Paul; from trends within our government, our media, and our entertainment industry; from developments within our medical and technology sectors; and from the writings and claims of New Age leaders – we have been fitting together a series of puzzle pieces to help us understand **four** things:
  - a. First, there will almost certainly be a physical return of the fallen angels to earth soon after the Rapture,
  - b. Second, a massive deception is being planned by Satan to explain **away** the Biblical Rapture after it occurs. This is THE lie of **2 Thessalonians 2:11**.
  - c. Third, this deception – THE lie - will be convincing, powerful, and paranormally assisted. Many people who are left behind will be deluded. ‘Seeing is believing,’
  - d. Fourth, our churches and culture are being prepared right now to believe this forthcoming deception - to reject the Biblical Rapture and truth from God’s Word.

**NOTE:** We’ve unpacked the first three of those points well. For this lesson, “**Part 3,**” I want to dive a bit more into that fourth point. We’ll look at several ways humanity is being prepared to embrace deception and suppress truth. There are four areas I want to briefly comment on:

1. **The church** – I want to touch on ways the church today is playing a role in these things
2. **Our secular culture** – We need to take an honest look at some trends we see today
3. **The climate change agenda** – It’s not science; it is a false religion that’s fooling many
4. **The rise of globalism** – Our world’s leaders, right NOW, are WANTING the antichrist

## A. The church – (let’s get this uncomfortable stuff out of the way first)

**NOTE: Here’s a difficult truth we need to come to grips with.** We’re at a point in Christianity today where many people **don’t care** if you can ‘back it up’ with the Bible. Their feelings, desires, and emotions often override what Scripture has to say.

1. This dilemma underscores the importance of proper Biblical interpretation.

- Now, we've already learned in this series what the **three rules of proper Biblical interpretation** need to be (I said I'd be emphasizing this a lot).
  - a. Passages must be understood in light of their original Biblical meaning.
  - b. Passages must be in harmony with other passages on the same subject.
  - c. Passages must be in compliance with the development of the context.
- I'll say it again – if these three rules are applied, one will **never** be steered wrong in understanding the Scriptures.
- Big mistakes can be made by relying too much on one's favorite English translation, by camping on one or two texts to the exclusion of others on the same topic, or by failing to take in the larger perspective.
- These are the sorts of things cults routinely do. Unfortunately, many churches do the same thing too. Both lead to the same results.

**QUESTION: "What are some things we see in the church today that have come about because the Bible has NOT been interpreted responsibly or respected properly?"**

- ✓ Today, we have a serious infestation of false teachers who are serving their personal agendas instead of responsibly addressing the needs of the flock. The book of **Jude** is much more blunt about this problem than what I just stated.
- ✓ We also have a surge of false prophets who routinely claim to get 'downloads' from God, and who say things that are not supported by the Bible.
- ✓ **Big one:** We have an upswell of false 'apostles' today who claim to have the same office, status, and abilities as the original apostles of Scripture.
- ✓ We have a profusion of churches, believers, and Christian leaders who emphasize shallow 'experience-based faith' rather than deep 'truth-based faith.'
- ✓ We have growing numbers of church leaders who are not qualified (by Biblical standards) to be in their roles, including homosexuals and lesbians, those who lack proper 'gifting,' or those who are unrepentant of habitual and obvious sins.
- ✓ We know from various studies that a majority of churches today subscribe to the heresy of Replacement Theology, to various degrees. They nurture a strong bias against the Jews and against Israel, and they wrongly **justify** their positions!
- ✓ We have a situation where MOST Christians today believe the modern institutional or cultural model of 'church' is the Biblical model. **It is not!**
- ✓ We see many churches openly rejecting – and even hostile to – sound doctrine - - opting instead for surface teaching and 'feel good' messages.
- ✓ We have many church leaders and Christians who **openly support** evolution, woke ideologies, globalist agendas, government mandates, and various liberal-progressive ambitions.
- ✓ We have many churches today which doubt or reject the deity of Jesus Christ, the virgin birth, the trinity, and other fundamental doctrines of Scripture.
- ✓ We see many churches today not **really** following Jesus Christ as they claim to do, and Jesus Himself underscores this reality in these times in **Revelation 3:20**.

- ✓ Most churches and church leaders today mock, dilute, ignore, and abuse the one-quarter of God's Word which is Bible prophecy.

**NOTE: This is just a sampling of the things we can see in the church today which are present because of the irresponsible handling and interpreting of Scripture.**

- The bottom line is our nation is not only being destroyed from within by its political leaders, but our churches are also being eroded from within by its spiritual overseers.
- When the future we've been learning about arrives, I therefore believe many who had been regular church goers will line up as staunch supporters of THE LIE.

**NOTE:** It's urgent that we take an honest look in the mirror here. **Rev. 3:16-18** reminds us of the dire condition and desperate needs of the modern church today.

*"So, because you are lukewarm—neither hot nor cold—I am about to vomit you out of My mouth! You say, 'I am rich; I have acquired wealth and do not need a thing.' But you do not realize that you are wretched, pitiful, poor, blind and naked. I counsel you to buy from Me gold refined by fire so that you may become rich, white garments so that you may be clothed and your shameful nakedness not exposed, and salve to anoint your eyes so you may see...."*

- Keep in mind this is a picture of the church just before the Rapture.
- It absolutely does not see its own condition for what it REALLY is.
- It thinks it's in a good spot. It thinks it's got its act together.
- But instead, God calls it *"wretched, pitiful, poor, blind, and naked."*

**NOTE: Let me give you a little 'show and tell' on this church matter from another vantage point.** These are just a few of the comments I received from LOCAL pastors and church leaders as SBC promoted **this** series.

*"Please do not supply our church with any more information regarding your prophecy series. As shepherd of this flock, it is my duty to protect the people under my care...."*

*"This is an ignorant sort of biblical literalism. You probably teach the Rapture myth."*

*"Bible prophecy is not important. You need to be promoting grace and peace and love. You need more Jesus in you. I will advise my people to not attend."*

*"We believe in a progressive theology where all are welcome and none are judged...."*

*"Your Bible prophecy series has nothing to do with the Gospel and so it shouldn't be taught. Get your priorities straight!!!"*

"You need to have a sit-down with our pastor. **She'll** help you understand that Bible prophecy is apocalyptic and not to be taken seriously in modern times...."

**(and here's one more)**

"Congratulations for being such a monster...."

**NOTE:** I could say much more at this point - - the Bible supports everything I'm laying out.

- With scattered exceptions noted here and there, the Bible makes the case that the greater church is in a bad spot.
- **IMPORTANT:** We're **personally** in dangerous territory if we define our spiritual well-being by the condition of a church that Jesus says He will 'vomit out of my mouth.'

**NOTE:** Many research studies on the church underscore these same concerns (EX):

- A 2022 study from the Cultural Research Center reveals that only 37% of American Senior Pastors have a Biblical worldview – and only 13% of teaching pastors do.
- According to a study in Christianity Today, only one-third of pastors today believe in the Rapture - - and 60% of those don't believe it is a pre-Tribulation event.
- More than 75% of pastors don't teach anything on Bible prophecy. Only 2 in 5 pastors have referenced the book of **Revelation** in their sermons.
- Various studies suggest that up to 80% of churches today subscribe to some level of Replacement Theology.
- Half of pastors feel that prophetic issues cause division and should not be taught.
- Various studies show the more educated a pastor is, the less inclined he is to believe in the literal interpretations of Bible prophecy, especially concerning the Rapture.
- Almost half of all pastors do not believe the antichrist is a literal individual. Of those that teach about the antichrist, many feel it's a system, a technology, or an allegory.

**NOTE:** These kinds of findings – and others like them - are repeated in many studies. They make us uncomfortable - **but they do show our reality.** Let me reiterate once more:

**Matt. 7:22** reminds us that "many" will find out too late that they were NOT Christians, and they did not have the saving faith they thought they did.

**2 Peter 3:3-4** assures us that in the last days there will be a rise of many false teachers, and **one of the hallmarks of false teachers** is their mocking of Biblical prophecy – and specifically the Rapture. (NOTE: Think how this ties into THE lie we've been learning about).

**2 Tim. 4:3** reminds us that we live in a time when much of the church will turn away from sound doctrine - - choosing to focus on themes that will 'suit their own desires.'

- The church will go so far as to actively pursue and work with people that will teach the things they want to hear instead.

**Jude 10** clarifies that many churches and their false teachers will speak abusively against whatever things they do not understand.

**NOTE:** You can CLEARLY see the dilemma that is being set up here.

- Many of our church leaders today already qualify as doubters and mockers of Biblical truth – **particularly** those matters related to Bible prophecy.
- Many churches today are lukewarm, and they are supporting ‘doctrines of demons.’
- The greater church today is cozying up to a world that is hostile to the Christian faith, to the truths of Scripture, and to those who support God’s laws and values.
- And so – **even within the greater church** – things are moving towards a point where THE lie will be embraced and promoted after the Rapture.

**B. Our secular culture –**

**NOTE: Just as I did with the church, I want to point out a few things which show how our culture today is moving towards supporting THE lie.**

1. One of the most obvious trends in our culture right now – and in ‘secular-progressive-liberal’ cultures the world over – is **open hostility** against the truth.
2. Make no mistake about it – this hostility and rage is ultimately directed against God Himself - and against all of God’s laws, truth, values, and sovereign design.
3. These postures are satanically inspired. Today, people KNOW the truth, but they don’t WANT the truth. That’s simply where we are.

**NOTE:** Any reminder of facts and common-sense launches this rapidly growing population into blind rage and hatred. **For example:**

- (a.) They want to codify abortion rights at the Federal level – they scream “We love killing babies” as they protest in front of the White House.
- (b.) They openly talk about assassinating people who uphold the rights of unborn children.
- (c.) They harass and threaten lawmakers, politicians, and citizens who are trying to return our nation to justice, and to law and order.
- (d.) They ridicule anyone who does not subscribe to the obvious fallacies of evolution and of climate change.
- (e.) They boldly engage in fraudulent behavior, deception, cheating, and lawlessness of every sort.
- (f.) They do everything to push sexual deviancy: (i.e.) arguing for 50+ gender types, supporting legal pedophilia, believing men can get pregnant, supporting the LGBTQ agenda, pushing transgender reconditioning to elementary students, and funding drag queen story hour.
- (g.) They call for open persecution against anyone who thinks for themselves. In a Rasmussen poll during the COVID fiasco, 48% of Democrats supported fining or imprisoning anyone who questioned the efficacy of the COVID-19 ‘vaccines,’ 45% of Democrats favored internment camps for anyone who refused to get a COVID-19 ‘vaccine,’ and 29% of Democrats supported removing parents’ custody of their children if the parents refuse to take the ‘vaccine.’
- (h.) In fact, this group WILL seek (and they DO seek) to end the life of anyone who says anything that conforms to Biblical truth and virtue.

(i.) They instead support anyone who has their own deranged passions.

**NOTE: Here's the 'matter of fact' bottom line:** our godless secular culture of today displays TOTAL conformity to the passage of **Romans 1:18-32** which specifies the following:

- They actively '*suppress*' the truth and have replaced it with their '*wickedness*' (**vs. 18**)
- But they know about God because He has made Himself '*plain to them*' (**vs. 19**)
- Yet they reject the plain testimony of God's divine attributes '*in His creation*' (**vs. 20**)
- Since they have willfully suppressed all the self-evident facts, they have now condemned themselves to being '*without excuse*' (**vs. 20**)
- They refuse to properly acknowledge God or respect Him as they should (**vs. 21**)
- They show themselves to be '*foolish*' and '*darkened*' as a result (**vs. 21**)
- They believe they are '*wise*,' but it's obvious to anyone who is rational and sane that these guys are absolute '*fools*' instead (**vs. 22**)
- They choose to worship 'Mother Earth,' animals, Creation - everything that is 'here and now' - as their alternate religion (**vs. 22**)
- Their cumulative choices have caused them to descend into all forms of sexual depravity because they have willfully rejected God's order and design (**vs. 24**)
- They have rejected every representation of common sense and truth and have embraced '*a lie*' instead (**vs. 25**)
- They embrace evolution because they refuse to accept the Biblical truth of Creation and of God as '*Creator*' (**vs. 25**)
- They actively promote a homosexual lifestyle (**vss. 26 & 27**)
- Their minds no longer function normally as they were intended to function (**vs. 28**)
- They are filled with '*every (imaginable) kind of wickedness and evil*,' they are angry and intolerant, and they constantly '*find new ways of doing evil*' (**vss. 29 & 30**)
- They are '*ruthless*' and driven in their agenda (**vs. 31**)
- They already understand their choices and actions deserve God's judgment (**vs. 32**)
- But rather than repenting and doing what is right, they instead '*continue*' in their ways, and they openly '*approve of those*' who think and act the same way they do (**vs. 32**).

**NOTE: This is a very grim picture, but it's where we are at. The Bible shows the truth here.**

- This passage helps us to understand that it is the Holy Spirit, acting within and through the Body of Christ, that is functioning as the '*restrainer*' (**Cf. 2 Thess. 2:7**)
- The Holy Spirit is working through those who are faithful to Him to 'preserve' this world, and to 'flavor' it with truth and righteousness. **That is the action of salt.**
- The Holy Spirit is also – in the lives of those who are faithful to Jesus Christ - shedding light on depravity and deception.
- Truth is still stated, and it is still represented. Dark deeds are still being exposed, though all that is less and less. **But that is the action of light.**

**NOTE:** The world today absolutely HATES the influence and presence of Christians.

1. They HATE any reminder that they are in the wrong. They hate any election system, any laws, or any structure that holds them to responsibility and accountability.
2. You can clearly see now why these kinds of people are always angry and intolerant. They are in constant opposition to all things sensible and proper.
3. This is all because they don't want the truth of the Gospel (**Cf. 2 Thess. 2:10, "...they refused to love the truth and so be saved..."**)
4. They have refused to believe in a God who made this earth and each of us. They'd rather believe – as we noted last time – that aliens put us here. And many of them DO believe this. They want ANYTHING BUT GOD!
5. That is why the 'eternal Gospel' the angel declares to the 'earth dwellers' in **Rev. 14:7** includes the message of Creation. It will be a reality check to their chosen views.

**NOTE: (I've alluded to this already, but I want to get a bit more specific now).**

Because the secular world HATES God and the influence of Christians, they also HATE commonsense laws and values **which find their origin in God's Word**. Examples of laws and values the world HATES - and which Scripture supports - include:

1. A respect for the value of human life (both unborn and elderly as two extremes)
2. Just two genders – male and female
3. A **heterosexual** lifestyle (they'd rather embrace homosexuality, transgenderism, pedophilia, and all other sorts of sexual depravities)
4. National borders. Nations are an institution of God's design, and they will continue to be His design all the way through the Millennial Kingdom.
5. Nationalism. This goes with the last point. Nationalists and patriots are despised by this group. This is why MAGA is loathed. The burgeoning passion these days is globalism - which will be the governing strategy of the antichrist.
6. A fair and free democracy. That's why fraud and cheating have become rampant, and it's why socialism – which has **never** worked well in human history – is going to be the political system of the end times (MUCH more on that in a future lesson).
7. Basic law and order – the antichrist is stated to be the '*man of lawlessness*,' and he will inspire many who already embrace lawlessness and want more of it...

**NOTE: I could continue like this, but you get the point.** When the Rapture happens, the world will go through a series of major jolts, disruptions, and traumas with the sudden removal of millions of people.

But fundamentally, the unsaved world that we see **right now** growing in force and number will rejoice! Those Christians – those patriots, fuddy-duddies, conservatives, nationalists, Bible-thumpers, and pro-lifers, etc. will all be gone.

At that point, the fallen angels, I believe, will make a dramatic and physical appearance on earth soon after the Rapture. We saw they are **ALREADY** announcing that they will do this.

They will mingle themselves with the seed of men according to **Dan. 2:43** and it will be like the '*days of Noah*' once again as Jesus declared in **Matt. 24:37**. The Greek language

underneath this passage in **Matthew** reinforces that the future will be ‘precisely’ or ‘just as’ or ‘it will be just like’ the past.

In other words, fallen angels will return as they did before, they will interact and blend with humanity in some form as they did before, and depravity will therefore reach maximum expression, just as it had before.

I believe these fallen angels will convince those left behind that they are the ‘lucky ones’ – the ones who get to evolve to the next level. They are essentially communicating this now.

These fallen angels will supernaturally do Satan’s deceptive work, and many folks will be convinced since – as I’ve said already - ‘seeing is believing.’

That includes many who had once populated our churches – but were not truly saved - and it certainly includes our ‘secular culture.’

**True** Christians will not be around ‘en masse’ as they had been to stand against any of this. They won’t be here to be ‘salt and light.’ They won’t be here right after the Rapture to speak the truth, and the Bible makes the case that the antichrist will debut on the scene as a result.

**C. This leads me to my next point about how humanity is being prepared for THE lie, and that is the deceptive ‘climate change agenda’ –**

**NOTE: I personally believe one of the key claims of the fallen angels will be that the earth needs to heal, and that’s why they removed all the Christians.**

1. As we learned before, this is **ALREADY** one of their messages to New Age leaders.
2. The deception will be promoted that this planet and its climate need to return to proper balance, and ‘mother earth’ needs to return to full health.
3. It will be said that with the Christians here - - none of this is possible. And this notion conforms perfectly to how the ‘mother earth crowd’ and the libs see Christians today. They think we are hurting the climate by holding to our views.
4. Today, if you **don’t** ride a bicycle, eat tofu, use cloth diapers and cloth grocery bags, support wind turbines, drive an electric car, protest ‘gassy cows,’ develop your own composting program, fight against gas and oil companies, and protect prairie dog colonies, you’re on the wrong side of this highly deluded agenda.
5. I believe this is part of the reason so many of God’s Tribulation judgments shatter the earth’s environment. He is going to show HE’S in charge.

**NOTE:** About half of these Tribulation judgments impact the earth and its environment. They change the geography of the planet (**Rev. 6:14**); burn up much of its vegetation (**Rev. 8:7**); dim the sun, moon, and stars (**Rev. 8:12**); render most of the world’s water lethal to life (**Rev. 8:8-11; 16:3-7**); plunge the world into darkness (**Rev. 8:12-13; 16:10**); scorch the earth with intense heat (**Rev. 16:8-9**), and pound the planet with 100-pound hailstones (**Rev. 16:21**).

6. These kinds of judgments will expose the fallen angels’ deceptions, and it will uncover the false beliefs of present and future ‘earth dwellers.’

7. The book of **Revelation** makes multiple uses of this term, the ‘*earth dwellers*,’ and I think there are good reasons for that which we will explore in a future lesson.

**NOTE:** But for right now, I want you to clearly understand there is a deliberate strategy with this whole ‘climate change’ deception. I have FOUR things I’ll mention here:

**a. First, there is the hyper-regulation of economies. This always follows alarmist rhetoric about climate change.**

- This is a deliberate attempt to trip up strong nations in order to weaken them. It’s why the left piles on regulations – it prevents sensible progress and problem-solving.
- The constricting carbon emissions laws is one example of regulations that try to erode the West to becoming a dependent third-world country.
- President Trump’s goal of making America energy independent drives the left crazy with rage. They don’t WANT America to be strong or great. That is why the left is all about hyper-regulation.
- All of this is cloaked in this mass deception called ‘climate change.’

**b. Second, the larger goal of destroying a nation’s independence and wealth is all about contributing to complete economic collapse on a worldwide scale.**

- The fallacy of ‘climate change’ is one of the most effective tools in the belt of these folks who want to bring strong nations down.
- Few elements buoy the solvency of global markets more than a strong, growing, and sensible US economy.
- Again, that’s a chief reason why President Trump receives so much criticism for choosing to put “America first.”
- If America’s economy is healthy and robust, it sets the globalists’ goals much further back. They cannot have strong nations. This doesn’t fit!
- All nations need to be weak and dependent for the globalists to succeed. And believe me – the Rapture will give them an unparalleled opportunity.

**c. Third, once flames of international chaos are fanned, it’ll be easier to thrust upon a desperate and confused world the notion of a one-world government.**

- Once again, the Rapture will provide this ‘chaos.’ The Rapture will cause much of the world to become desperate and confused.
- This will be an ideal situation for the globalists. They have already prepped their arguments to unite behind a single figure.
- True Christians know this individual will be the Antichrist, but globalists are planning to call him their “savior.” And he will deceive many...

**d. Lastly, all of this ‘climate change’ frenzy pivots around a single all-important fact: Global warming, at its core, is a FALSE RELIGION.**

- It is “eco-fundamentalism.” It is a militant rejection of God, as we’ve learned. These folks are not ‘heavenly minded;’ they’re ‘earth dwellers.’
- They are characterized by a rabid worship of “mother earth,” and we’re just seeing the beginning of what is to come (see my ‘Global Warming’ article).

**D. The last way humanity is being prepared to embrace deception and suppress truth is ‘the rise of globalism.’**

**NOTE:** I’ve mentioned ‘globalism’ a bit already, but let me wrap up here with a few additional comments about what’s happening now with this:

- a. Globalism is a one-world governing system. Everybody under one roof / operating by the same laws and expectations / goose-stepping the same way, etc.
- b. It’s what the so-called ‘elites’ want today. This was Nimrod’s goal in **Genesis Ch. 10**, remember? It’s a depraved set of ideals that refuses to conform to God’s laws.
- c. However, two conditions must be kept in mind: the antichrist cannot be revealed until *after* the Rapture (we learned that) and his rise to political power will be a process (we’ll learn much more about that later).

**NOTE:** I want you to consider what some world leaders are already on record for saying:

Former Belgian Prime Minister, Paul-Henri Spaak, regarded as one of the principal architects of the European Union, issued some chilling forward-looking words when he stated, *“We do not want another committee, we have too many already. What we want is a man of sufficient stature to hold the allegiance of all people, and to lift us out of the economic morass into which we are sinking. Send us such a man, and be he god or devil, we will receive him.”*

King Charles III, in his COP26 speech to world leaders, laid out an urgent vision for a future “*global systems level solution*” to address **climate change**. He said this vision needs “*a war-like footing.*” He reinforced this point by adding it would be a “*military style campaign that would need trillions – not billions – of dollars to be at his disposal.*”

King Charles did not specify *who* he was referring to, but it wasn’t himself he was talking about. The transcript of his speech is very clear that he imagined **another** future leader who would oversee this grand globalist ambition.

Fact is, multiple media sources have documented the globalists’ goals in their own words.

- It’s no secret these elites covet a one-world governing system, and they want one man to lead the charge.
- It’s also obvious they are militant about their wishes, and they believe the endemic deception of ‘climate change’ is an effective tool to help drive their scheme.
- **IMPORTANT:** These kinds of statements and postures are not confined to top-of-the-food-chain elites. The average leftist today is **sold out** to these same ideas.
- They’re openly and aggressively forcing their agenda on **every** facet of **all** cultures.

- With the restraint of the Holy Spirit acknowledged, what's standing in the way of all these folks today are politicians that push for strong national borders, law and order, and rational socioeconomic policies.
- What's also interfering with the elites' plans are folks **like you and me** that support sensible leaders. It's why they despise us.
- What's interfering with the globalists' plans are election integrity laws. It's why they tape pizza boxes over windows, insist on no voter ID, and use voting machines that can be hacked.
- It is why trailblazers like Slovakian PM Robert Fico, Hungarian PM Viktor Orban, Dutch politician Geert Wilders, Argentinian President Javier Milei, and US President Donald Trump are loathed by the left with a hatred that is dark, senseless, and otherworldly.
- **Here's something that's challenging to grasp.** It doesn't matter to unhinged leftists that good leaders have been proven effective in strengthening economies, achieving border security, creating jobs, decreasing crime, or anything positive like this.
- What drives these progressive socialists into a frothing rage is these leaders – and their followers - **like you and I** – are tapping the brakes on a corrupt globalist agenda.

**CONCLUSION:** The deep political divisions we see in our world today are obvious spiritual struggles between good and evil. They are not being painted that way – but that's the truth. And this spiritual struggle will reach a climax point right AFTER the Rapture.

All the conditioning of our culture behind the scenes, all the 'earth friendly' and 'climate change' passions, all the rejection of God and His laws, all the deception and lawlessness, all of the globalist ambitions - - and ALL the lukewarm churches that held many unsaved congregants who **don't want to believe they were ever wrong, is all going to come together TO SUPPORT THE LIE THAT THE BIBLICAL RAPTURE DIDN'T REALLY HAPPEN AFTER IT DID.**

**NEXT WEEK:** We are going to start learning about 'the Rapture.' We're going to have a few consecutive lessons on this topic as we explore this very important Biblical doctrine.

**SOLID  
BREAD**

Solid Bread Community was started with a passion to teach the truth of God's Word – every part of it, as it was divinely inspired to be understood.

The rules are simple. First, teach what IS there. Don't pretend the Bible is not saying what it is saying.

Second, don't teach what is NOT there. Don't force a passage to mean something it really doesn't.

And – number three, if the Bible states it plainly, we should too.
